*Thank you very much for welcoming my family into your studio this year. We feel so fortunate to have found such a great place to dance with such talented and caring teachers. We appreciate your passion and hard work.*

*We cannot begin to express the many thanks we wish to give to all of you for making our child's 1st year of dance an exceptional experience. The care and devotion that you show towards these kids doesn't go unnoticed. Thanks again for making our child feel wanted and special...Here's to many more years of dancing together!*

*I just wanted to send you congratulations on the wonderful performance this past weekend. My child dances on Saturday mornings. She absolutely loved the experience and the entire performance was spectacular!*  
*I also wish to congratulate you and the entire staff on how organized the drop off and pick up procedures and the quality of the supervision and safety standards were. I sure felt confident on watching the remainder of the show knowing the children were safe in the green room. The sign in and sign out procedures were followed to a "T" and you should be commended on that!*  
*My child absolutely loves coming to your school and her teachers are both talked about a lot in my house. (My child is 3 1/2).*  
*Once again, congratulations on the excellent job we will definitely be signing up again next year!*

*"Congratulations on another successful dancing season and Showcase. The people of Scugog are fortunate to be home to the Port Perry Dance Academy, a professional, well-run studio. Thank you for establishing opportunities for our children that both challenge and motivate them while having fun. My kids thoroughly enjoyed their dancing experience this season and look forward to the next one!"*

*Thank you so much for everything. I will miss everyone and everything soooo much! Thanks for whipping me into shape and for always being there. Your support and encouragement means a lot... You can take the dancer out of the academy but you can't take the academy out of the dancer. I will never forget all the things I learned there. Thank you for giving me my wings to fly!!*
